

Specialised Rotating Electrics

Issue 5.01

All products have been developed with our five key objectives firmly in mind and which we consider to be central to the success of our joint trading relationships.

1. We are committed to providing our customers with the highest levels of service.
2. We are committed to marketing and selling only the highest quality products.
3. We are committed to offering value for money.
4. We are committed to providing added value, service and support.
5. We are committed to consistent and continual improvement of our range and services, which allows us to remain that little bit unique in our market place.

It is our intention wherever possible to continue to add further references to the Five Star Product range and we will communicate these to you via our quarterly bulletins. I do hope that you will find H. Bowers Ltd fulfils your requirements.

Kind Regards

Jeff Savage
Managing Director of H. Bowers Limited

Catalogue Information

Please Read

This catalogue has been divided into multiple coloured sections containing various groups of similar products. All products are listed in ascending part number order within their given section or sub-section. The list to the right shows a breakdown of each section for easy group reference.

Please check the H. Bowers website for the latest product releases.

Visit us at www.bowersmidland.co.uk.

Keeping you ahead of the game.

All sizes are millimeters (mm) unless stated.

Plug images and other markings/symbols are specific only to the part number they are listed with and do not necessarily relate to similar products. Always read the description.

P/No : **BMO6022**, Charlatte P/No : **HGHXX000018**

Power Steering Motor Clockwise Rotation - Fitted to early Charlatte trucks. Clearly identifiable from the two tater type motors by the different fixing at the drive end and also by the dovetail drive design on the armature

P/No : **BMX3942001**, Charlatte P/No : **HGHXX000024**

Power Steering Motor : Clockwise Rotation (DX)
Fitted to later Charlatte trucks. It is used with the steel hydraulic oil reserve

P/No : **BMX3942007**, Charlatte P/No : **HGX100033**

Power Steering Motor : Anti-Clockwise Rotation (SX)
Fitted to later Charlatte trucks and is fitted to the power pack with the plastic hydraulic oil reserve

P/No : **BMX3942000**, Lansing P/No : **4025901-001**

Power Steering Motor : Clockwise Rotation - Fitted as O.E. to the Lansing P200-P250 Truck

P/No : **BMX3942013**, Power Steering Motor Fitted to Hamech Tugs

This motor was manufactured by Amatek Prestolite and is often used to replace a Lansing motor. However it is not a suitable alternative and will suffer from premature failure.

Workshop Service & Repair Facility

More than just an automotive components distributors

Air Conditioning Units / Heater Systems

Our fully trained workshop technicians have vast experience working with both Eberspacher and Webasto equipment.

Rotating Electrics

Can't source a unit? Or is it too expensive to buy? Let our trained staff repair your old unit. We have the knowledge & experience to help.

Shown on this page are images of equipment that we regularly carry out work on
